

March 1st 2007

Subject: RoHs and WEEE Compliance.

To Whom It May Concern:

The following outlines KBC Networks RoHs and WEEE compliance for products shipped into EU member states.

RoHs Directive 2002/95/EC compliance.

KBC Networks warrants, that to the best of its knowledge and belief, all products shipped into EU countries from March 1st 2007 will be RoHs compliant. KBC networks use an XRF Analyzer to ensure all components/final assemblies are compliant prior to shipping.

WEEE Directive 2002/96/EC Compliance

KBC Warrants compliance to the WEEE Directive and will work with the relevant member states for the retrieval and legal disposal of the WEEE. Please contact KBC Networks for advice on WEEE as appropriate.
